

Medium Term Plan for Mathematics

Class 1

Autumn Term 1, 2017

Week 1	<p><b>EYFS: Assessments / Counting games and songs</b>                  Year 1 : Pattern and shape activities</p>
Week 2 & Week 3	<p><b>Number / Place Value</b>  <b>EYFS: Counting sets of objects, matching, numeral recognition.</b>                  Year 1: Read and write numbers from 1 to 20 in numerals and words.                  Given a number, identify one more and one less.                  Use the language of : equal to, more than, less than (fewer, ) most, least</p>
Week 4 & Week 5	<p><b>Addition and Subtraction</b>  <b>EYFS: Begin to group sets of objects and count how many altogether, take one away and count the remainder, match numerals</b>                  Year 1: Represent and use number bonds and related subtraction facts within 20.                  Add and subtract one-digit and two-digit numbers to 20, including zero</p>
Week 6	<p><b>Geometry Properties of Shape</b>  <b>EYFS: Explore 2D and 3D shapes.</b>                  Year 1: Recognise and name common 2D and 3D shapes, including:</p> <ul style="list-style-type: none"> <li>• 2D shapes, eg rectangles, squares, circles and triangles</li> <li>• 3D shapes, eg cuboids, cubes, pyramids and spheres</li> </ul>
Week 7	<p><b>Multiplication and Division</b>  <b>EYFS: Assessment</b>                  Year 1: Count in multiples of twos, fives and tens.</p>
Weekly Stops lesson	<p><b>Problem Solving</b>                  Solve one-step problems that involve addition and subtraction, using concrete objects and pictorial representations, and missing number problems, such as <math>7 = \square - 9</math>.</p>
