

Stow on the Wold Primary School
Early Help Policy 2016

STOW-on-the-WOLD
PRIMARY SCHOOL
heart hand mind

At Stow on the Wold Primary school staff are trained in recognising the signs of Child Abuse and Extremism and are committed to and know the benefit of Early Help as a way of supporting families and young people before their needs become acute and Social Care or other specialist intervention may be necessary.

The school has a range of robust safeguarding procedures in place which puts the safety and protection of children at the heart of any decisions. The school's safeguarding team is made up of the following school personnel:

- Designated Safeguarding Lead (DSL) – Mrs Rebecca Scutt
- Deputy Designated Safeguarding Leads (DDSL) – Mrs Alison swallow Mrs Elizabeth Hamilton, Mr Nathan cox
- Safeguarding Governor Dr Dilys Neill, Mrs A Swallow

The DSL and all DDSLs complete inter-agency safeguarding training on a two yearly programme. All other school staff complete safeguarding training on a three yearly basis and are updated regularly to any changes in legislation.

Reporting Concerns

If any member of school suspects that a child may be at risk of harm or who has been harmed they will report the incident through the schools email reporting system. The email is received by all members of the safeguarding team. Staff are expected to report a concern as soon as possible through the reporting system. If a member of staff believes that a child is at risk of or has been subjected to significant harm then this must be reported immediately via email and then in person to either the school's DSL or one of the DDSLs.

It is school policy that at least two members of the safeguarding team will be on site at any one time and that one of these must be the DSL or a DDSL. This enables all concerns to be reviewed by at least two members of the team at any one time and an appropriate course of action decided upon.

The primary aim of the school’s Early Help systems is to try to intervene early with families before it gets to the stage when a child may be at risk of harm.

Involvement of Families

The school will always involve the family in all Early Help strategies and most will only be put in place with their permission. The school will aim to work with families in a supportive, non-judgemental way so that trust is built up and the best possible outcomes achieved.

There are occasions, however, when the school’s safeguarding team or member of school staff may believe that a child may be at immediate risk of significant harm and that by informing the parents/carers of the concern may put the child at further risk. In these cases the school will implement section 47 procedures. This will involve an immediate referral to social care without the parents/carers knowledge.

School Indicators for Children or Families That May Require Early Help

The following list provides examples of areas where, without intervention a family may break down or a child may be put a risk of neglect, emotional, physical or sexual harm. This also includes the risk of extremism. The school has no pre-prescribed criteria for supporting children and families. Each case is assessed according to needs and a bespoke programme put in place for that child and/or family:

Indicator	Indicator	Indicator	Indicator
Low Parenting Skills	Poor Diet - Obesity, Malnourished	Low Income or Poverty	Limited Community Integration
Substance/Alcohol Abuse	Young Carer	Breakdown in family relationships	Transport
Domestic Abuse	Breakdown in community relationships	Isolation	Special Educational Needs (refer to Local and School offer)
Child Mental Health	Adult Mental Health	Disability of a Child	Disability of an Adult
Bereavement	Changes in Behaviour and Risk of Exclusion	Poor Attendance and Punctuality	Child Unaware of How to Keep Themselves Safe Online
Child Unaware of Danger and How to Keep Themselves Safe	Child Demonstrates Sexualised Behaviours	Frequent House or School Moves	Cleanliness and Hygiene
Extremist views			

Example Early Help Points of Contact

The school has divided its Early Help strategies into 4 areas:

- Universal Support is for all and is what all children and families would normally receive,
- Community Support is for a child or family who may need some extra support,
- Specific Support is for children and families who need specialist support
- Crisis Support is where a child or their family need a high level of support to prevent harm.
